Crest
of Memories

For City High School
Senior Class Gift

B. Liven good

Foreword

This year another Senior Class was graduated from Ford City High School. As we left our Alma Mater, we carried with us our Trireme—A Treasure Chest of Memories.

Through the years we can open our "Chest" and relive our school days. It is filled with memories, starting at the top with our biggest year of all—our Senior year.

It is, therefore, that we present this our 1953 Trireme, trusting that it will bring "memories of happiness" to everyone.

Dedication

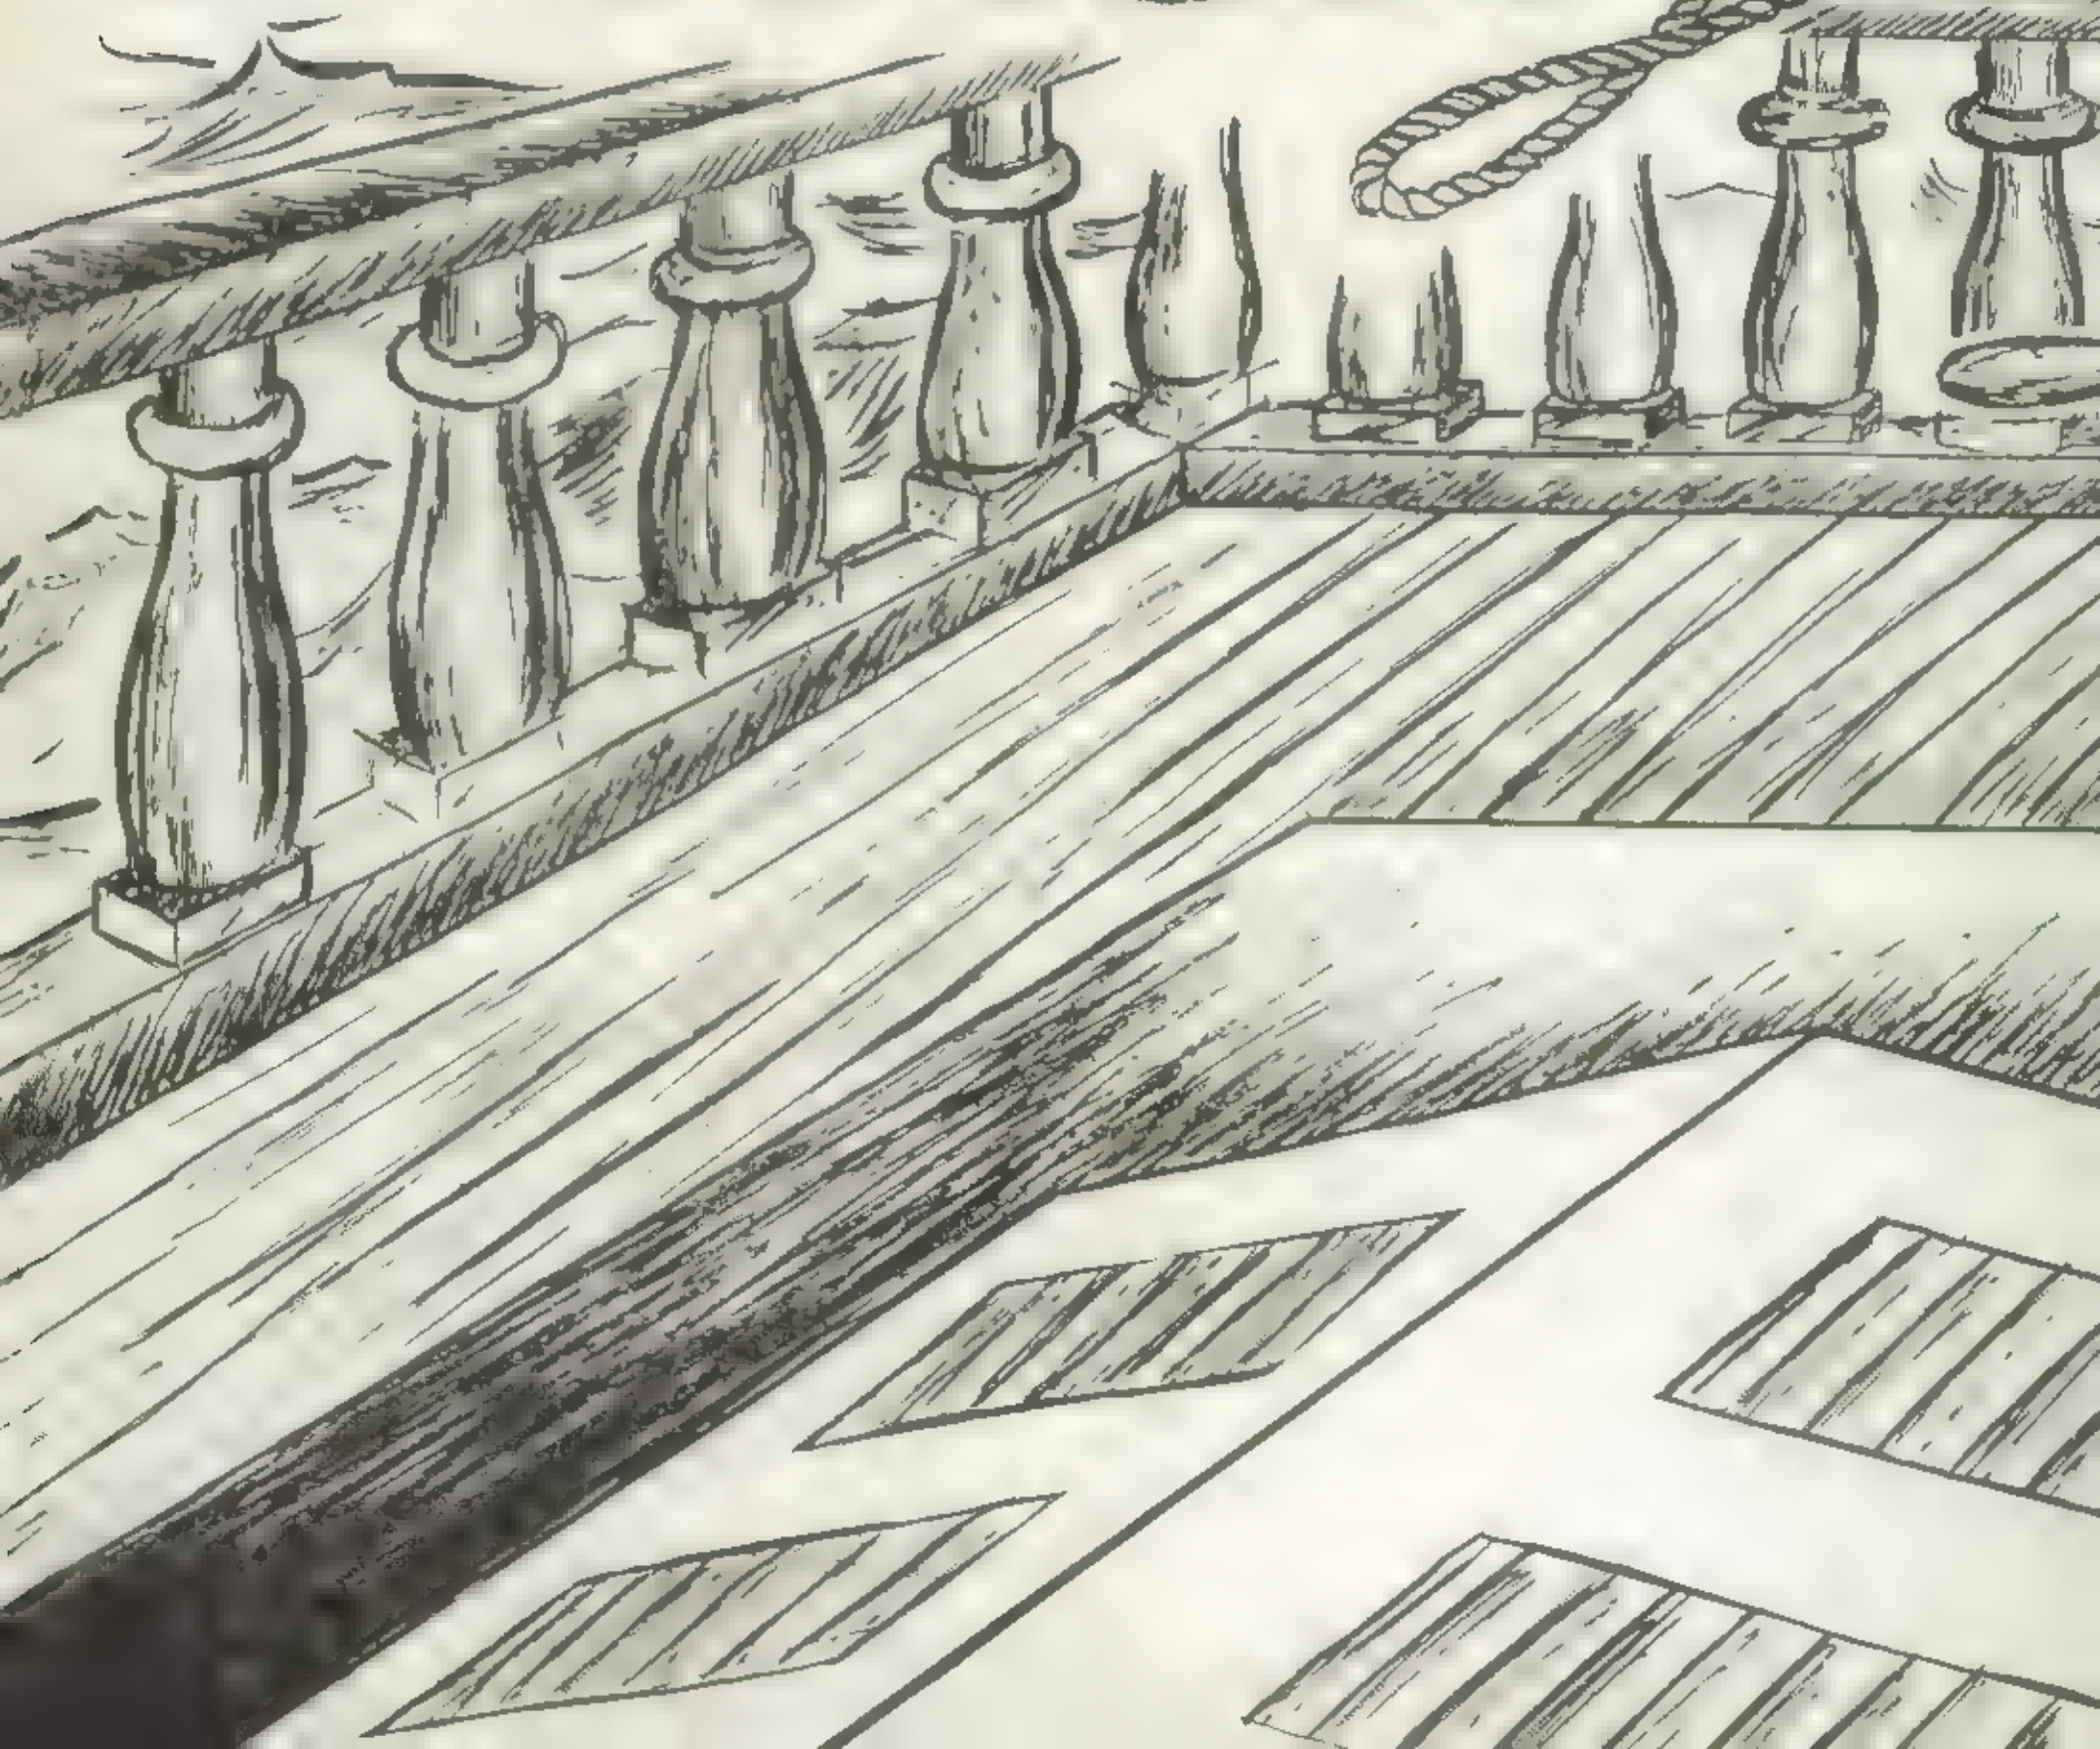

We sincerely dedicate this edition of the *Trireme* to the Mothers and Fathers of the class of 1953. It was our parents who first started us up the ladder of school education. Now that we have reached the top, we begin to realize the gratitude that is due to them. It has been they who have had the most patience, understanding, love, and devotion, and who have always been more than willing to give us some of their time or lend a helping hand. To those two people who have done the most to make our lives a success, we offer this "Treasure Chest of Memories" as a small token of love and thanks.

The time has come for the class of '1953' to leave Ford City High. This year ended the most enjoyable one of our high school careers. Let us review our high school days and remember some of the most important events. We shall always remember our Freshman Prom, the trip to Kennywood, our Sophomore year; the big Junior-Senior Prom; and "Blithe Spirit", our Junior Class Play.

Then came our Senior year. At last we reached the goal we had been striving toward these busy years. Our Senior Class Play "Family Circle", our Junior-Senior Prom, the banquet, Baccalaureate, and finally Commencement were all included, along with many other events in that busy year. When we received our diplomas we realized that this was not just another sheet of paper, we had worked hard for this and we deserved it. This opened new doors and we were proud. Yes, on looking back over our high school career we see an enjoyable as well as a profitable one.

It is with pride and some regret that we leave our Alma Mater, Ford City High School.

Miss Trireme and Court

Front Row—Kathleen Shaffer, seventh grade; Doris Heffelfinger, freshman. Back Row—Gail Rosenberger, sophomore; Jacqueline Ritchey, senior; Peggy Procius, Miss Trireme; Luby Katyk, junior; Paula Jo Painter, eighth grade.

The title of "Miss Trireme of 1953" was bestowed upon Peggy Procius following a special assembly which was presented as a combined beauty show and talent contest. The Trireme Business Staff produced the show as a part of their sales campaign. The purchasers of the first six hundred copies of the Trireme were entitled to vote for Miss Trireme and her court. One girl was selected from each class to serve as attend-

ant. Seventh, Eighth, and Ninth grade attendants were chosen by the Junior High students and Sophomore, Junior and Senior attendants were selected by the Senior High student body.

Miss Lina DeHout, Business Manager of the Trireme, directed the program; Al Callahan was Master of Ceremonies, and Mrs. Esther Burton, the accompanist.

Freshmen at last! It was the first year at Ford City High for many of us. We learned the intricacies of high school schedules and various permits. We had fun meeting new students and making friends at the tea dances. Yes, too, there was that happy day when we attended our first real prom. All this was fittingly concluded with the Ninth Grade Commencement in June.

Senior Band

The trumpets blare a fanfare, drums roll, and the band marches on to the field in a spectacular entrance. But behind this polished performance, there were many long hours of practice. Under the capable direction of Miss Lola Bevington, the band performed at nine of our football games.

Besides the football games, the band also made many other public appearances—the Labor Day Parade, two benefit football games, pep rallies, the Halloween Parade, and the Armistice Day Parade.

After football season, the band prepared for its annual Spring Concert and the approaching band festivals.

At the end of the year, the graduating members of the band were presented with sweaters by the Band Boosters Club in recognition of participation in the band.

The Band Officers for 1952-1953 were:

President	Albert Callahan
Vice President	Richard Gardner
Secretary	Doris Marks
Assistant Secretary	Betty Markby
Treasurer	Andy Pytel
Librarians	Allan Welch Harry Piper Sherwood Meades

Vocal Music Department

Another successful year of vocal music by the various groups under the able direction of Mr. Thompson was enjoyed by everyone. These groups included the Varsity Mixed Chorus, the Boys' Chorus, the Girls' Chorus, and the Senior and Junior Ensembles. With all of these groups working separately and together, there was always "music in the air".

In December, all voices were blended as once again the Christmas Story was related in song. Providing the background for the Christmas program was a mural painted by the Art Club under the direction of Miss Portz.

The most active group in the vocal music department was the Varsity Mixed Chorus. All eighty-five members of this group worked toward the production of the operetta, "Fortune Teller". This depicted gypsy life in Livonia, a small European kingdom. In addition to this, the chorus sang in programs presented in other schools. Some of these were: Vandergrift, Kittingan, and Indiana.

The following officers presided last year:

President	Raymond Miller
Business Manager	Peggy Proscious
Librarian	Beverly White

Student Council

Student Council Officers—Left to Right—Gene Nameche, Vice-President; Mr. Wall Sponsor; Jon Martin, Secretary; Raymond Miller, President; Charles Sitch, Treasurer

Our Student Council received its charter in 1949-1950. Every year it has made great strides, although this year has been its best. Think of all the Student Council accomplishments. It approved the constitution of our clubs, provided noon recreation dances in the girls gym, sponsored movies in the auditorium for those who ate lunch in the school building. Student government was promoted through election of the Student Council officers, class officers, and homeroom chairmen. These people strive to plan projects to make our school year more enjoyable. This year the Student Council undertook the great task of selling refreshments at the home football games. Through the co-operation of the students and the faculty this proved to be a success. Four delegates were also sent to the Student Council State Convention which was held at Forty Fort. No one can forget the third annual "Snow Ball." It was the highlight of the season. We watched the progress of the Student Council from the day of its installation to the present date. As this year is brought to a close, all will agree it has been a successful one for the Student Council—our own governing body.

The Glass-Ip, while retaining its old name, took on a new appearance and many staff members this year. Changing from a mimeographed paper, the Glass-Ip became a printed one published monthly. Subscription drives were held at the beginning of each semester to finance the cost of the editions.

Added to the paper were pictures of teachers, students, and their activities; and current news and extra features.

The staff, having been enlarged, was di-

vided into three main groups—editorial, business, and art staffs. The staffs met frequently to work out assignments and to prepare them for a monthly deadline. Certain members had specific jobs while others helped in a variety of tasks; the editors supervising all work.

Tri - Hi - Y

The Tri-Hi-Y, one of the first clubs of the high school, is composed of sophomore, junior, and senior girls. Under the sponsorship of Mrs. Ethel Baker, the Tri-Hi-Y has been an active service club. In place of the annual Christmas Party, the club donated money to the Salvation Army. The club also took part in the model U. N. Assembly at Harrisburg in March. Two delegates were chosen to attend through a competitive examination. They were Mary Bloom and Bernice Klin-

gensmith. Among the other activities were the presenting devotional exercises each Friday morning over the Public Address System and a bake sale. A mother and daughter banquet was held at the close of the year.

The officers of the club were:

President	Alberta Johns Zablocki
Secretary	Ruth Edwards
Treasurer	Shirley Bailey
Sponsor	Mrs. Ethel Baker

Gregg Club

Since the organization of the Gregg Club in 1933, the objective has remained constant under the capable direction of Miss Shubert. That is, to aid its members in preparing for their future business careers.

At the bi-monthly meetings, formally conducted according to parliamentary procedure, informative talks were given by supervisors of the various places of employment in the Ford City area. The necessary requirements for securing

positions were given by these guest speakers.

The girls performed many clerical services for community organizations as well as typing and mimeographing for members of the faculty.

The officers were:

President	Sylvia Pella
Vice-President	Dorothy Ulisky
Recording Secretary	Janet Smith
Corresponding Secretary	Sally Dill
Treasurer	Norma Canil

Library Assistants

What is an Oedagodium? Where will I find the Code of Hammurabi? Can you suggest an interesting non-fiction book? These are a few of the many questions presented daily to the library assistants.

In addition to answering these queries, they slip, shelve, charge, and repair books, sign per-

mits, write overdues, take circulation, and check mail.

These girls give their time in order that the faculty and student body may be served more efficiently. Their helpful service is under the direction of Miss Mitchell, our librarian.

Penn - Ford Junior Historians

The Penn-Ford Junior Historians Club is a member of the Pennsylvania Federation of Junior Historians. The purpose for this organization is to further the study of state and local history.

The activities closely followed the purpose of the club. During the meetings as a group, they worked on a project concerned with the historical background of a particular area in this vicinity. Individual projects relating to the history of a member's township, church or a trail now a state highway were also undertaken by this group. Guest speakers were invited to the meetings.

The district convention at Indiana was attended in the Fall. At this time, Sonya Myers had the honor to be elected Vice President of the Central Western District.

The officers for this year were:

President	Alfred Myers
Vice President	Bernard Rupp
2nd. Vice-President	Lois Schaeffer
Corr. Secretary	Janet Grove
Rec. Secretary	Shirley Roudybush
Treasurer	Sonya Myers
Chaplain	Sally Hileman

Penn - Junior Historians

This group met every other Thursday in Miss McCoy's room. This active organization, composed of interested Junior High School members, listened attentively to reports given by members or guest speakers on Pennsylvania personal-

ties.

Members were sent to the District meeting in Indiana where they presented a skit on the manufacturing of glass. Representatives were also sent to the State Convention at Harrisburg.

Geography Club

The purpose of the Geography club is to encourage interest in geography and to develop a better understanding of the peoples of the world.

In the few months this organization has been in existence, much progress has been made in furthering this purpose.

Under their direction, a CARE package was sent to one of the foreign countries. Also, a year's subscription to the geography magazine, "World Today", was given to the school library.

Guest speakers, films and slides were sources of information used by the club for material for their meetings. Later in the year, a field trip was made to the Buhl Planetarium in Pittsburgh to attend the Geography Show.

This club was under the efficient supervision of Mrs. Schall. The officers were:

President	E. Lozaroff
Vice-President	L. Culp
Secretary	J. Szalankiewicz
Treasurer	C. Brown

Spanish Club

The Spanish Club is composed of members of both the Spanish I and II classes.

Under the guidance of Miss Eakins, the members have completed a very interesting and enjoyable year.

In the biweekly meetings gay Spanish songs and South American and Mexican games were played. The newspaper, *La Lux*, was translated into English and the many articles explaining

customs and happenings in South America were discussed.

Numerous tape recordings and records added to the informal study of the Spanish language.

The officers were: President—Andy Pytel; Vice-president—Bob Szalankiewicz; Secretary—Anna Marie Yassem; Treasurer—Betty Bowser.

Hobby Club

The two year old hobby club, under the sponsorship of Mr. Adams, pursues many worthwhile hobbies. Some of the projects undertaken were basket weaving, building model cars and wagons, metal bracelets and all types of leather work.

The group meets the third period every Tuesday. They feel that their time was spent in a very profitable manner. The officers of the hobby club were: President—Stanley Schaffer; Vice-president—William Crawford; Secretary-Treasurer—William Morda.

L. H. U.

These second year and first year Latin students, having the necessary qualifications at the end of the first semester, meet every two weeks.

During these meetings projects for Latin week were planned. These were to be placed in competition with those of other schools also participating in the Latin Week Exhibit. In February,

the group made the annual trip with their sponsor, Miss Steiner, to the Latin Exhibit held at the Buhl Planetarium in Pittsburgh.

The members have found Latin to be a living language as well as one that is interesting.

President—Allen Welch; Secretary-Treasurer—Sonja Myers; Advisor—Miss Steiner.

The Magic Chefs

This newly organized club of twenty-five Senior boys interested in learning the art of cooking was under the capable direction of Miss Strettmatter, our home economics teacher. Although there were many other boys who wished to be a member of this club, only the Senior boys were fortunate enough to be eligible. It is hoped that this will be a regular class in future years. In addition to baking cookies, biscuits, cakes, pies,

and making pancakes, the boys learned the proper ways to set a table, good grooming habits, and the proper dress for various occasions. These things were studied and thoroughly discussed. The officers of this club are:

President	Herb Stitt
Vice-President	Tom Armstrong
Secretary	Gene Grantz
Treasurer	Harry Kolakowski

"Guardians of Our Safety"

The patrol system of Ford City High School, under the leadership of Mr. Miller, contributes a great deal in attempting to keep our safety record spotless. They accept the responsibility of

directing the students in crossing the street to and from classes in the Grade Building. This group is to be commended for the very fine job they did.

Baton Club

When the majorettes get together it's usually in the form of the Baton Club. All majorettes are members of this club. Each month they meet at the member's homes for a business meeting and a good time. One of their jobs was to discuss the problems of new majorettes which they had helped Miss Bevington choose. They held a bake sale in February, the proceeds of which are go-

ing to send a couple of their members to majorette camp this summer.

The officers of our baton twirlers are:

Art Club

The Art Club, under the direction of our new art teacher, Miss Portz, has completed a very active year. This group is outstanding in that they give of their talents to others. The main activity of the club was painting the lovely mural backdrop for the Christmas Cantata. They also helped with the decorations and made the attractive programs for the Student Council's annual Christmas dance, 'The Snow Ball.' They

made posters for this dance, the Junior and Senior plays and many other activities during the school year; also helping out on the Glass-Ip staff. This spring they worked on the murals in the girls gym.

The officers of this service club were	
President	Robert Booth
Vice-President	Larry Hufhand
Secretary-Treasurer	Janis Roberts

National Honor Society

The Ford City chapter of the National Honor Society became an active organization this year.

The members of the society were chosen their Junior year on the basis of scholarship, leadership, service, and character. They represent the upper fifth of the graduation class.

The objectives of this organization are to create enthusiasm for scholarship; to promote worthwhile leadership; to encourage character development in the student body of Ford City

High School; and to render what possible service to the school and community they can.

The officers for this year were:

President Andy Pytel

Vice-President Beverly Cochran

Secretary-Treasurer Sally Irwin

The faculty advisors were: Mr. Raymond Miller, principal; Mrs. Grace McMillen, Miss Edith Shrensky, Mr. Harold Sowers, Miss Alice Steiner, and Miss Elizabeth Weaver.

Radio Club

The purpose of the Radio Club, newly formed in 1952, is to provide entertainment for the student body by presenting or sponsoring a group of programs for assembly.

Students who completed the tenth year Speech class and who had a special interest in dramatics and speech were urged to try out for membership in the club. The limited number of members for this year were selected by the sponsors, on the basis of speech ability, acting, poise, and co-operativeness.

A temporary constitution was prepared to

be presented to Student Council for approval. Upon gaining this approval, the club elected a president, vice-president, and secretary-treasurer. Officers will be elected at the beginning of each semester.

Some of the activities planned for the Radio Club were: radio skits, one-act plays for assemblies, public address announcements, teen news for Station WACB

There are thirty members in the club, under the sponsorship of Mrs. Elmira Brodhead and Miss Edith Shrensky.

We never knew how much work and effort was necessary to produce a successful year-book. From the time we selected our theme we were busy checking appointments, taking pictures, cropping, pasting, and meeting and not meeting deadlines. Filling your treasure chest full of the memories that you will treasure was not an easy task. While this has been a responsible job it has been a most interesting experience. We hope you will enjoy our efforts.

Oresik, D. Anderson

A new addition to our athletic staff this year was Coach "Bill" Abraham. He took the brawn and the brain of eleven boys and molded a determined football team. The Glasser's record of three wins, one tie, five losses, and one forfeit showed the team's strong desire to win.

Left to Right: Mr. Rupert, Mr. Caruso, Mr. Black, Mr. Simmons, and Mr. Abraham

Managers

Left to right: J. Augustine, E. Paul, L. Rybarik, J. Byron, and A. Lux

FREEPORT (7-0)

Playing for the first time under their new coach, Mr. Abraham, the Glassers dropped the season's opener to a spirited Freeport eleven on the latter's turf. Although our defensive unit was outstanding, the boys' unfamiliarity to their new offensive system withheld them from scoring. Aside from the Yellow Jackets second quarter score, the game was played on very even terms.

BUTLER (43-0)

Joe Cappazuti's Golden Tornadoes ripped and roared through the Ford City forward wall with ease as they chalked up a very decisive victory. The Double A squad's ground attack picked up an amazing 400 yards, while their defensive team had little trouble stopping the yet inexperienced Forder offense. Butler halfback, Roger Hathaway, contributed greatly to the Tornado victory.

Junior Varsity Football Squad

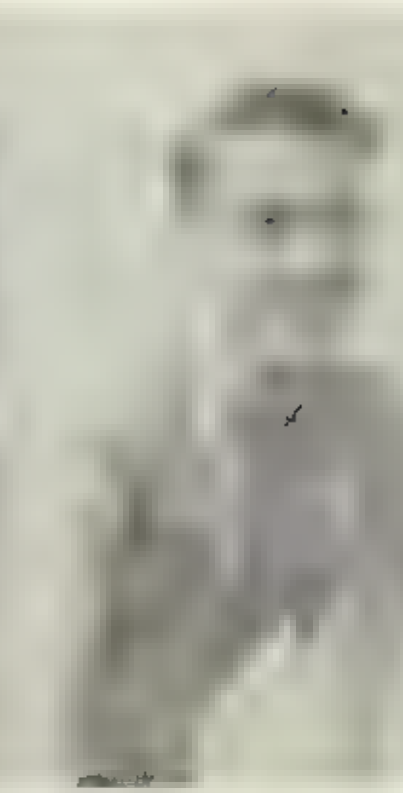

Front Row: D. Stinson, J. Little, J. McCarthy, P. Busch, T. Bowser, C. Eck, F. Spachholz, W. Emmonds, G. Bowser, E. White. Second Row: J. Fichtorn, J. Russo, M. Webster, J. Voek, W. Verschuren, R. Wolverton, J. Kovalovsky, J. Moore, D. Byron, G. Feldman. Back Row: G. Toy, B. Vanderkoll, W. Stewart, H. Grinder, D. Cook, J. Shoemaker, R. Miller, R. Neutrelle, W. Toy.

Leechburg (19-13)

Under the lights at the Hilltop Field for the first time, the determined Glassers initiated the home campaign by throwing a real scare into the Blue Devils from Leechburg. A crowd of more than 3000 spectators witnessed a 90 yard pass play from Quarterback Bozzo to lanky End Ray Miller. Sending the Glassers ahead of the undefeated Blue Devils for the first time in four years. Dick Hunter, Leechburg speedster, turned in his usual sensational game.

Tarentum (12-20)

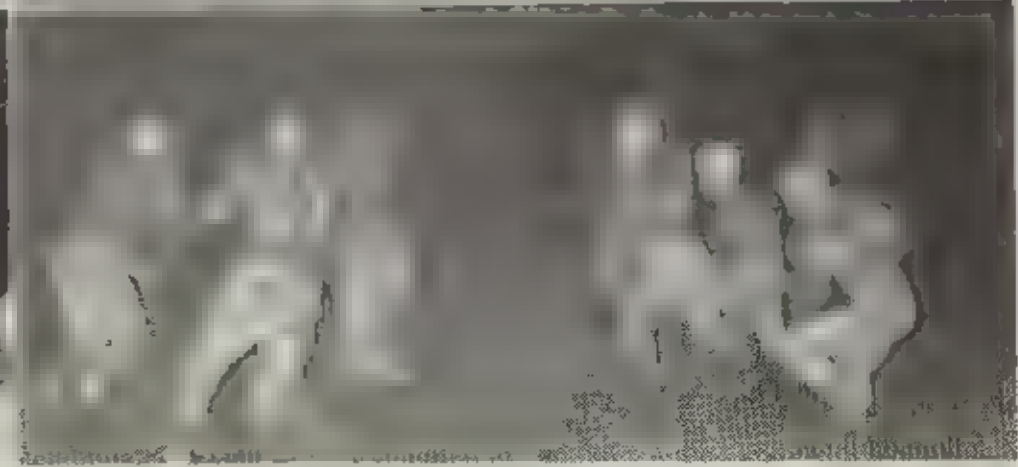

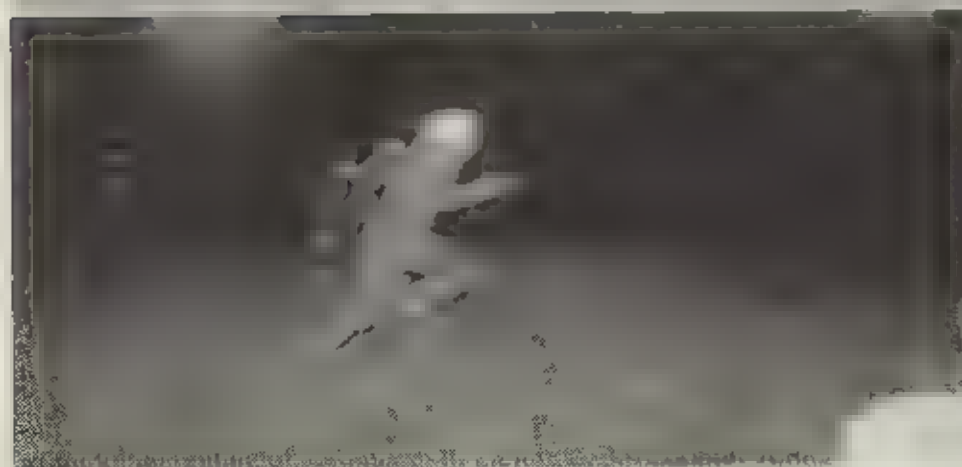

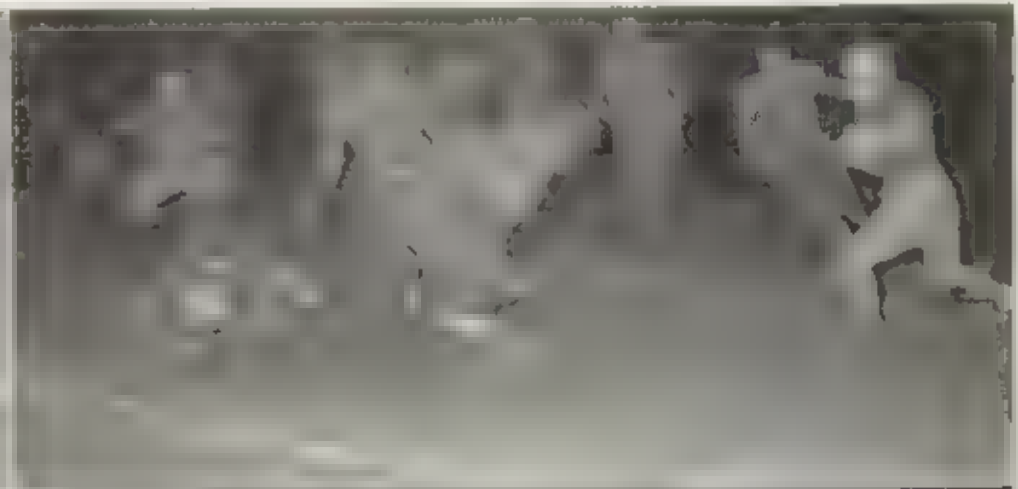

Holding off until the second half, the Ford City aggregation came out in the third quarter to overcome a twelve point deficit and win their first victory of the season. Lorenzo Pendleton led the Zephyrs offense, while Don Scott and Bob Wingard played an exceptionally rough defensive game. Coach Abraham's emphatic half-time pep talk inspired our boys for that second-half spurt.

West Deer (0-6)

Ron Klingensmith intercepted a West Deer aerial on the Forder three yard line and raced the remaining 97 markers for a touchdown, enabling Ford City to mark up its second successive victory. Outstanding defensive line play by Jim Roberts and Lea Oresick also figured greatly in the victory.

Swissvale (14-14)

Although victory was near as Ford City was driving into Swissvale territory when the gun sounded, the Glassers remained undefeated for the third consecutive week, and they settled for a tie with a fast down river team from Swissvale. Kenny Bryant, Lorenzo Pendleton, and Ray Miller were outstanding as they matched wits with Swissvale's triple threat, Paul Krist. John Ollinger converted both Glasser extra points.

New Brighton (24-6)

Suffering from their first attack of fumblitis, the Glassers were defeated at home by the defending Class A champs from New Brighton. Kenny Bryant was the only bright spot for the Glassers as he averaged 11 yards a try carrying the pigskin. The powerful New Brighton's ground and aerial attack combined to penetrate the Forder defense and account for the victory.

Arnold (14-33)

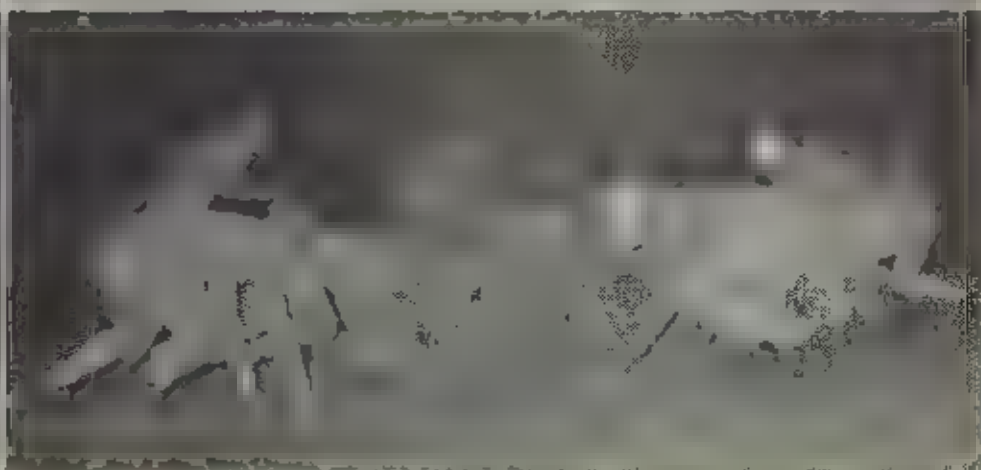

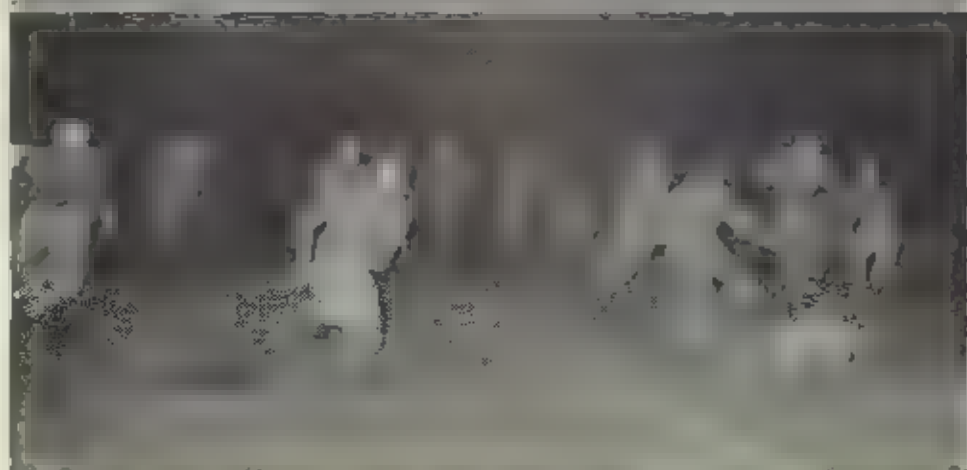

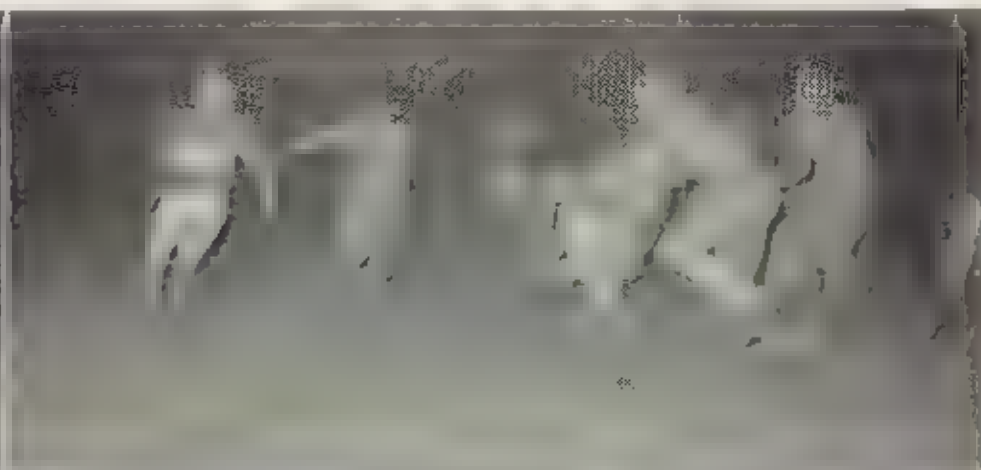

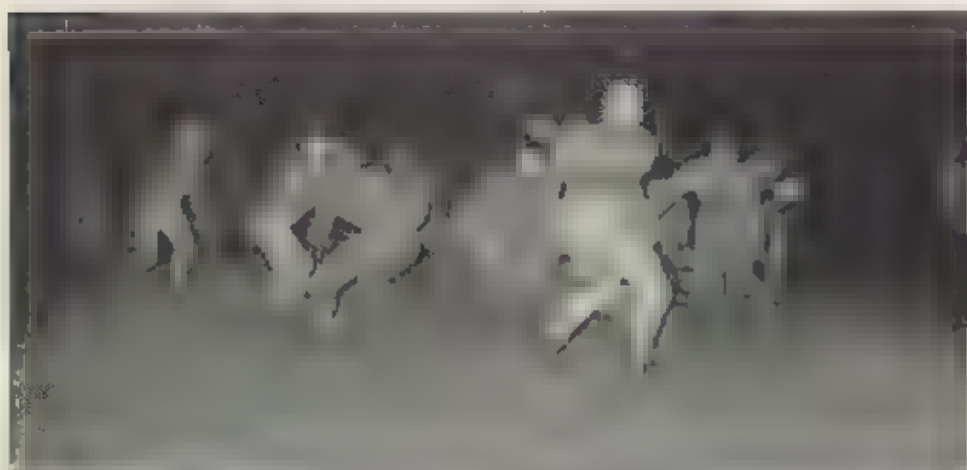

Ford City played their best game of the season at Arnold as they topped the Tigers by a convincing 33-14 score. Lorenzo Pendleton scored on the first play from scrimmage, and within a minute Leo Oresick had picked up an Arnold fumble and raced into pay dirt. From there it was the Glassers all the way as Ford City picked up 20 more points for good measure. Don Deaderick turned in a standout game as quarterback for the Zephyrs.

Vandergrift (19-7)

Vandergrift's Blue Lancers invaded Ford City and bestowed upon the Glassers their fifth setback of the year. There was no stopping the big powerful Double A outfit as they led all the way. In winning the Lancers injured "Tank" Boarts and Don Deaderick, thus handicapping the Glassers for the season's finale.

Coaches

Pictured at left: Mr. Black and Mr. Rupert

The 1952-53 basketball team will go down in Ford City history as one of the finest ever produced. Although the team did not fare so well in their terrific December schedule, they later became renowned for their outstanding play. Lacking height and showing only one hold-over regular, along with three lettermen, the team featured teamwork with no outstanding scorer. After winning the Section I crown the Glassers upset three W.P.I.A.L. tournament entries, and were not eliminated until the W.P.I.A.L. final.

The Rupertmen were appropriately termed the "Giant-Killers" and "Mighty Midgets" by district sportswriters.

Upon returning home from Pittsburgh after being defeated by the powerful Sharon Tigers the Forders were greeted by the band and hundreds of ardent fans, a heartwarming display of appreciation that will long be remembered. When asked to comment, Coach Rupert complied by saying "This is the best little town in the state, and we have the best little team in the state!"

VARSITY BASKETBALL TEAM—Front row: Robert Salankiewics, Robert Stewart, Raymond Miller, Charles Sitch, Richard Rovnyak. Back row: Lorenzo Pendleton, Kenneth Bryant, Mr. Rupert, John Ollinger, Edward Kijowski.

Ford City—75 Tarentum—37

The 1952-1953 hardwood campaign officially began for Ford City as the Glassers started on the right foot and defeated a rangy Redcat team at Tarentum. With exceptional shooting Pendleton, Salankiewicz, Rovnyak, and Sitch all hit the two figure scoring column.

Ford City—55 Central Catholic—57

Although the Glassers overcame a 10 point deficit, the Central Catholic Vikings managed to score four points in the last 10 seconds of the game and cap the victory. Lorenzo Pendleton came through with 11 points besides playing on outstanding floor game.

Ford City—39 Sharon—52

At the third consecutive road game, there was no stopping an Atterholt-McHugh combination that clicked for 30 Sharon markers. Sitch and Salankiewicz were high men for the Zephyrs.

Ford City—58 Westinghouse—49

At home for the first time, the Glassers gave the fans a real treat as they whipped a tough Westinghouse aggregation. Sitch, Miller, and Salankiewicz were the main threats to the Pittsburgh champs.

Ford City—44 Johnstown—55

The undefeated Johnstown Trojans came to town and put on a magnificent shooting display as they hit for 55% of their shots. The District Six team averaged 6' 2" in height along with being fast and aggressive. Lorenzo Pendleton chalked up 15 points for the Glassers.

Ford City—49 Arnold—52

Traveling to Arnold our boys grabbed an 11 point lead in the first quarter but when the final gun had sounded Arnold had won by a three point margin. Pendleton was leading scorer for the Glassers, Kenny Bryant was our top rebounder. Moses and Tom Saska tallied 18 and 17 points respectively for the Lions.

Ford City—46 Duquesne—32

Returning home Ford City got back on the winning trail as they defeated the "Little Dukes". The Dukes were unimpressive in their sixth outing, thus Sitch and Salankiewicz by scoring and Miller and Bryant by controlling the backboards, took advantage of them.

Ford City—54 Aliquippa—56

In a game almost identical to the Ford City-Aliquippa game of a year ago, the Glassers once again overcame a 10 point disadvantage only to find themselves behind when the final gun sounded.

Ford City—25 Monessen—26

In the final exhibition game before section play began, Monessen's Greyhounds came here to face the Glassers in a battle of defenses. Both teams were off on their field goal and free throw attempts, thus the scoring was limited. Five foot seven Rich Rovnyak did the impossible by being top rebound man for the night.

Ford City—46 Har-Brack—43

Ford City had a shaky start in Section I as they edged Har-Brack Tigers on our home court. Har-Brack's outside shooting was sensational, but it was offset by excessive fouling.

Ford City—58 Butler—50

The Glassers took a big step toward the Section I Flag as they defeated Butler in the Tornado crackerbox. Trailing into the final period, the Forders depended on some timely and accurate outside shooting from Rovnyak and Salankiewicz.

Ford City—67 Kittanning—39

The Rupertmen made it three in a row as they knocked off the Kittanning Wildcats on our home court. Miller, Sitch, Bryant, Salankiewicz, and Pendleton, all hit the two figure

column for the Glassers. "Grampa" Adams was high for the Wildcats.

Ford City—69 Vandergrift—45

The Forders had no trouble defeating the Section II leaders in an exhibition tussle on our hardwood. Salankiewicz, Pendleton, and Miller had remarkable shooting percentages, while "Potshot" also controlled the boards.

Ford City—36 Rankin—27

The Glassers staged a second-half comeback to defeat Rankin in another exhibition fray. The relatively low score was due to poor shooting from the field.

Ford City—45 New Kensington—41

The Forders successfully completed the first-half of league play by downing New Kensington on the latter's floor. Sitch and Salankiewicz led the scoring parade, while Bryant contributed a fine floor game.

Ford City—73 Har-Brack—51

Traveling to Har-Brack, the Glassers really caught fire and made a fine start in the Section I second-half race. Although the Tigers again were deadly from the outside, Ford City's teamwork dominated the game.

Ford City—65 Vandergrift—62

Although Vandergrift shot 56% in the first-half and led the Glassers by 15 points at halftime, the Forders rallied to outscore the rangy Lancer Quint. A second-half all-court press by Ford City proved disastrous to the Section II champs.

Ford City—61 Butler—38

The high-riding Glassers continued their league sweep by trouncing the second place Butler Golden Tornadoes. A full house of 1,600 ardent Ford City fans watched Bryant, Salankiewicz, and Pendleton, lead the Forders scoring and Ray Miller control the boards.

Ford City—72 Kittanning—47

Ford City annexed its twenty fourth Sectional Championship by whipping Kittanning Wildcats in a foul shooting exhibition. Ray Miller, who hit eight for eight free throws, led the Glassers as they connected for 36 out of 51 charity tosses.

Ford City—62 New Kensington—26

Only as a matter of formality, the Glassers downed New Kensington and thus posted Ford City's thirtieth consecutive league win. Senior, Bob Stewart, joined the two figure club as he dropped in ten points. ON TO THE FIELD HOUSE!

***Ford City—73 German Township—35**

Underdogs, the Glassers baffled the experts as they walloped a towering German Township five. Outstanding was Ford City's 43% shooting percentage, Kenny Bryant's defensive work on 6' 9" Ed Frimmel, and the over-all teamwork of the Forders.

***Ford City—61 Charleroi—56**

Heavier underdogs than before the Glassers became known as "Giant-killers" when they won a W.P.I.A.L. quarter-final decision over the highly touted Charleroi Cougars. Rich Rovnyak iced the game in the late minutes by sinking nine out of ten free throws.

***Ford City—58 Greensburg—49**

Ford City valiantly fought its way into the W.P.I.A.L. finals as they defeated Kalbfus, Cavanaugh and company. Sporting an incomparable shooting average of 45%, the Rupert "midgets" gained the admiration of all Western Pennsylvania basketball fans.

***Ford City—41 Sharon—49**

Battling for the W.P.I.A.L. Crown, Ford City was outclassed but not outfought by a sensational Sharon five. The Glasser fourteen game win streak was halted by Sharon's impregnable 2-3 zone. Because of a definite height advantage, Sharon controlled our boards, thus setting up the speedy Tiger fast break. HATS OFF TO FORD CITY FOR A TERRIFIC SEASON

Thank You

The class of 1953 wishes to express its appreciation to all who in any way have helped to fill our "Treasure Chest" so full of pleasant memories.

Thank you Mr. Wyant of Kurtz Bros., our printers, Mr. Hipp and Mr. Trautt of Erie Engraving Company, Mr. Leister our photographer, Miss Mitchell and Miss DeHout for their time and patience, and the merchants and business houses who with their financial aid have made this yearbook possible. Thanks also to those who helped with or participated in the "Miss Trireme" talent show. Through your help, all of you, we were able to produce this Trireme—Our Treasure Chest of Memories
